DETAILED ACTION

Allowable Subject Matter

1. Claims 2-9 and 11-35 are allowed.
2. The following is an examiner's statement of reasons for allowance: As to claims 7, 9, 16, 29 and 30 the prior art made of record in the previous action have failed to teach "said driving means includes amplifier means for generating said precharge voltage by amplifying the gray-scale voltage corresponding to said display data in accordance with a signal from said control means."

As to claims 8, 17 and 23, the prior art made of record in the previous action have failed to teach "said driving means includes a power supply means for generating said gray-scale voltage, and said driving means includes a digital-to-analog converting means for selecting a gray-scale voltage corresponding to said display data, based on said gray-scale voltage generated from said power supply means, amplifier means for amplifying the gray-scale voltage corresponding said display data and a switching means for selecting whether to amplify the gray-scale voltage corresponding to said display data, in accordance with a signal from said control means."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
